strong, and
sustainable
tissue paper
products.**

Tissue Paper Products

Our products range from facial tissues, napkins, and toilet paper to paper towels, jumbo rolls, and custom-printed napkins.

Kooka Paper Manufacturing Sdn. Bhd.

Who We Are

A leading manufacturer and supplier of tissue paper products in Malaysia. Established in 1996, Kooka has over 30 years of experience in the industry and exports its products to over 10 countries worldwide.

TISSUE PAPER PRODUCTS

NAPKIN

A square of cloth or paper tissue used at the table for wiping the mouth and fingers while eating to protect clothing.

PAPER TOWELS

Soft thick paper used for drying your hands, cleaning objects, absorbing liquids, etc.

FACIAL TISSUE

Soft, disposable paper product that is designed to be used for wiping and cleaning your face.

BATHROOM TISSUE

A soft and absorbent paper product used for personal hygiene purposes after using the toilet.
